

**PRESS RELEASE OF VIOHALCO SA****Brussels, November 12, 2020**

*The enclosed information constitutes regulated information as defined in the Royal Decree of 14 November 2007 regarding the duties of issuers of financial instruments, which have been admitted for trading on a regulated market.*

In response to the letter sent by the Hellenic Capital Market Commission following the publication of articles on electronic press, Viohalco SA (the **Company**) announces the following:

The Company in order to best serve the corporate interest regularly explores and assesses the possibility of co-operations in order to make the best use of its assets. In this context, the Company's subsidiary, Cenergy Holdings SA, is currently in negotiations with the Nexans group aiming to combine their cable making business. However, such negotiations are at an early stage.

The Company, in accordance with the applicable capital markets law, will inform the investors on any significant development of the above-mentioned process.

**About Viohalco**

*Viohalco is the Belgium based holding company of a number of leading metal processing companies in Europe. It is listed on Euronext Brussels (VIO) and the Athens Stock Exchange (BIO). Viohalco's subsidiaries specialise in the manufacture of aluminium, copper, cables, steel and steel pipes products, and are committed to the sustainable development of quality, innovative and value added products and solutions for a dynamic global client base. With production facilities in Greece, Bulgaria, Romania, Russia, North Macedonia, Turkey, the Netherlands and the United Kingdom, Viohalco companies collectively generate annual revenue of EUR 4.2 billion. Viohalco's portfolio also includes a dedicated R&D&I and technology segment. In addition, Viohalco and its companies own real estate investment properties, mainly in Greece, which generate additional income through their commercial development.*
